ABOUT NSIT - IFSCS

The NSIT – IFSCS, Ahmedabad Gujarat is directly affiliated with the National Forensic Sciences University, built on modern infrastructural facilities. NSIT allows students to delve into the intricacies of Forensic Sciences, honing their skills in Crime Scene analysis, DNA profiling, Forensic Psychology, Cyber Security, Digital Forensic, Forensic Accounting and Fraud Investigation and Computer Science & Engineering . The institution boasts world-class laboratories equipped with the latest forensic technologies, providing hands-on training essential for real-world scenarios. NSIT has created excellent infrastructure and laboratories for casework, research, and Training activities. We have very good laboratories for Chemical Sciences, Biological Sciences, Crime Scene, Document Examination and Physical Sciences. We offer UG and PG Programs in Forensic Science, Cyber Security, Digital Forensic, Forensic Auditing, Accounting, Fraud Investigations and Computer Science and Engineering in Cyber Security.

VISION

To be a leading institution in Forensic Science, Cyber Security and Forensic Accounting education, fostering excellence in research, innovation, and practical training, thereby contributing to justice and societal well-being.

MISSION

- To provide a dynamic learning environment that bridges the gap between theory and practice with the help of AI & VR tools & technologies.
- To cultivate analytical and problem-solving skills essential for forensic professionals.
- To promote cutting-edge research and interdisciplinary collaboration in forensic sciences.
- To instill ethical values and a sense of responsibility in forensic practitioners.

WHY CHOOSE NSIT-IFSCS?

- ✓ Closest Affiliated Institute to National Forensic Sciences University (NFSU), Gandhinagar, providing seamless academic and research collaboration.
- ✓ Innovative Curriculum as per NFSU standards, ensuring industry-relevant Forensic education.
- ✓ State-of-the-Art Laboratories for hands-on Forensic training in various disciplines.
- ✓ Strong Research & Lab Infrastructure fostering real-world case studies.
- ✓ Direct Industry Exposure through internships, study tours, and expert interactions.
- ✓ Interdisciplinary approach integrating Forensic Science with Technology and Law.
- ✓ Excellent Placement support and career guidance.

Hon'ble Home Minister **SHRI AMIT SHAH JI** on importance of Forensic Sciences

"We have made revolutionary amendments in the law, where we have made it mandatory for Forensic Science experts to be present at the crime scene. To meet this, we have set-up World's First of it's kind National Forensic Science University (NFSU) which will fulfil the requirement of 33,000 forensic science experts in the coming 03 years."
